

Install LAUSD Web Certificates Instructions.

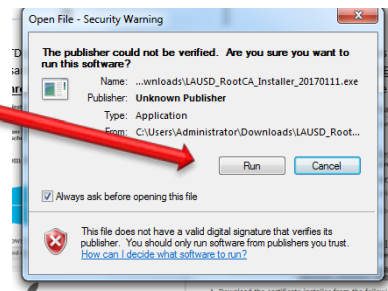

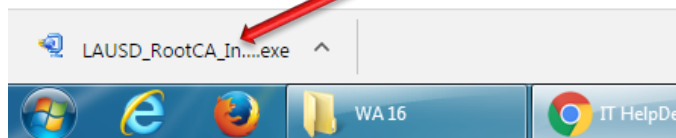

1. Go to our site and click on **Teachers**, select the **LAUSD** tab. Click on **Web Certificates**

2. Once on the ITD page select your OS (Operation System) (We're going to use windows for this tutorial but is relatively the same for Mac) Under **Windows Certificates**, select **Windows - Internet Explorer, Microsoft Edge, and Google Chrome Web Browser** Click on **Quick Installer** to download the certificate.

3. Once the certificate downloads click on it to open it and **run** it.

4. Finish installing and repeat for **Window-Mozilla Firefox**. When finished **restart your computer**.
